

Pascack Valley Medical Center Announces the Appointment of Robert Bicocchi to the Board of Directors

September 7, 2017 – Westwood, NJ – Hackensack Meridian *Health* Pascack Valley Medical Center is pleased to announce the appointment of Robert Bicocchi to the Hospital Board of Directors.

Robert Bicocchi is a Westwood resident and serves on the Council for the Borough of Westwood. Bicocchi is currently a Senior Property Manager with CBRE providing leadership for a team of Property Management professionals in New York City which includes large admin properties, Corporate Headquarters, Data Center and Trading Floor locations totaling over 2.8 million square feet for the Bank of America account. Bicocchi attended Empire State College and is a New Jersey licensed real-state person. He is a member of St. Jude Kids for Kids committee.

“I am so pleased that Robert Bicocchi has decided to join the Pascack Valley Medical Center Board of Trustees. His background and commitment to both the Westwood and Pascack Valley communities are evident in his involvement with the local government and committees he serves on,” said Emily Holliman, CEO of Pascack Valley Medical Center. “I’m confident that his experience and investment in the local community will only continue to help the Hospital grow and be a continued partner to the Pascack Valley.”

Bicocchi is replacing Edward Johnson, long-time member who served on the Hospital Board since April of 2013, before the Hospital’s reopening.

Pascack Valley Medical Center is a member of the Hackensack Meridian *Health* Network. For more information on Hackensack University Medical Group Pascack Valley, visit:
